edyn portal

Agency access to book serviced accommodation

Your agency specific personalised platform to book and modify serviced accommodation bookings, that is configured to your clients travel policies. Combining great functionality with human support at every step, the edyn portal gives you access to more than 80,000 apartments in over 260 destinations across the globe.

Whether for single trips or long-terms projects, book everything seamlessly from one easy to use platform.

Portal benefits:

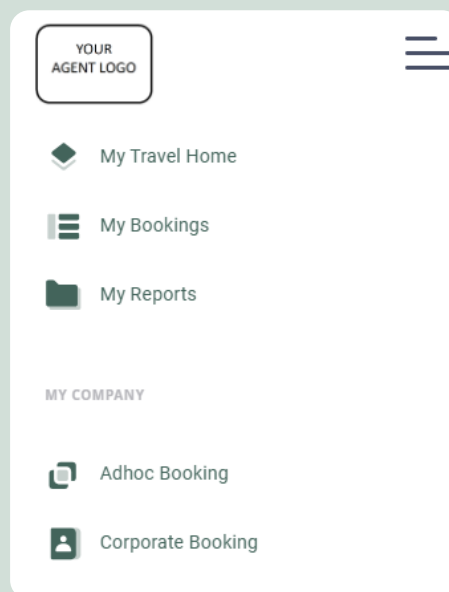

- **Highly configurable** – Configure the portal to any aspect of your client’s policies and agreed rates or ad hoc one-off bookings. Capture cost centre numbers, agency references or codes
- **Agency questions** – Agency specific questions asked during each booking journey to allow the capture of specific requests.
- **Live booking** – Make instant bookings in real time
- **Easy modification** – Request to cancel or modify upcoming bookings easily
- **Single sign-on** – One login to manage all your business travel needs
- **Easy integration** – Simple to connect to your internal systems to aid compliance and duty of care
- **Unified booking journey** – Individually configured to your agency requirements.
- **Mobile optimised** – Seamless user experience whether booking on mobile or desktop
- **Secure data environment** – GDPR compliant data storage

Soulful Hospitality.

- **Track 'reason for travel'** and display selected rates/properties based on selection
- **Commission Breakdown** – View applicable commission received per booking
- **Authorisation & approval rules** – Set bespoke authorisation rules and approval flows for agency contracted clients
- **Email notifications** – Automated notifications of booking confirmations, modifications, and cancellations to your dedicated consultants and/or travellers
- **Advanced reporting** – Global dashboard displaying all current, past and future bookings.
